Subject: Portland Harbor - Timing for Meeting with Region

Davis,

It was good to speak with you following the EPA Public Forum on the Portland Harbor Superfund Site on Wednesday evening. Thanks to Regional staff for setting that up and participating. I thought it went well and believe that community outreach such as these forums is an important part of moving forward on the Site.

I wanted to follow up regarding our discussion of the timing for the next meeting that we all discussed at our meeting/video conference call on May 29th. I understand that Rich Gold spoke with Chris Hladick and that they agreed to target Wednesday, July 11th in Seattle for this meeting.

We have checked with a number of the participants from the PCI/Pre-RD Group that attended the May 29th meeting and that date works for us. I look forward to working with you and the other addressees on this email on an agenda and based on that determining the appropriate attendees on behalf of the PCI/Pre-RD Group and for EPA (Region 10 and HQ).

Thanks,
Peter
